Township Budget Hearings Tomorrow

Evening Sessions Set
For Venice, Chouteau,
Nameoki; GC April 7th

Public hearings for three of the four Quad-Cities townships will be held tomorrow evening in advance of the April annual town meetings when the budgets will be presented to the public for final approval.

To be reviewed tomorrow are the \$202,250 budget for Venice township, the \$157,992 Nameoki budget and the \$127,700 Chouteau township budget. A hearing on the \$243,109 Granite City township budget will be held at 7 p.m. April 7, on hour in advance of the annual town meeting.

The Venice public hearing is set for 8 p.m. tomorrow at the relief office, 1502 Fifth street. The Nameoki budget hearing will be at 7 p.m. in the hall building along Route 162 and the Chouteau township budget hearing will be at the home of town clerk Walter Sparks, 613 English place at 7:30 p.m.

Budget Breakdown

In Venice township, the \$202,250 budget represents a drop of \$19,594 from the 1963 budget. It includes \$127,600 for general assistance, relief, food, \$40,000 for general purposes, \$28,000 for roads, \$26,000 for roads, \$26,000 and \$35,500 for municipal retirement, up \$335.

The Nameoki township budget is virtually the same as last year's. Unchanged is the \$31,000 for general assistance, \$33,245 for town purposes and \$31,000 for roads, up \$20,250 budgeted for municipal retirement is up \$550.

In Chouteau township, the overall \$127,700 budget includes \$40,370 for town purposes, up \$10,000; \$36,330 for relief, up \$10,000; \$43,000 for roads, up \$10,000; and \$8,000 for equipment and building, unchanged.

Granite City township's budget of \$243,109 includes \$44,730 for town purposes, up \$500; and \$218,379 for relief, up \$20,250. The public hearing will be at 7 p.m. April 7 will be held at the city hall.

Changes Can Be Made

The public hearings for the township budgets afford residents of each township to hear in advance the amounts of estimated expenditures for the 1964-65 fiscal year and to recommend changes.

At the annual town meetings, all to be held on April 7, Quad-Cities will be given the opportunity to vote directly on (Continued on page 13, col. 5)

Pontoon Beach Village To Install 10 Street Lights

The new village of Pontoon Beach, just about a year old, will be brightly lighted in about two weeks with the installation of 10 street lights.

The trustees, meeting Thursday evening, approved 50-year electric and gas franchises with Illinois Power Co. that will install and provide the service without a charge to the village. Credits under the gas franchise will offset the street lighting cost.

Campaign Against Stray Dogs

In other action, the board authorized the Ordinance Committee to prepare a law to prevent the dumping of stray dogs in the village. We have an agreement with the Nameoki township humane officer, but dogs are being dumped here fast as they can be picked up," Stalcioff said.

We are asking village residents to cooperate by keeping their dogs tied, and the proposed ordinance will set a fine maximum of \$100 for persons caught freeing dogs in the village," the president said. He explained that large packs, up to 10 dogs, are roaming the area.

Price Continuing Work On Branch Post Office

Cong. Melvin Price is continuing his efforts in regard to establishment of a branch post office in the downtown business district of Granite City. He reports in letters being received here by persons signing petitions for the new office.

He expressed the hope that a satisfactory solution may be found.

Cong. Price commented "The Post Office Department has contacted the National Postal Union, the new post office at Granite City is only three blocks from the downtown area. It would not be economically feasible to establish a classified office in the neighborhood of the old building."

"This, however, does not preclude the possibility of considering a proposed site for a classified office, as has been done in many cities with the Post Office Department."

"The difference is that a private individual will operate the classified station rather than a postal employee, and the space will be provided by the operator of the contract station rather than by the Post Office Department. A contract station operation is more economical to the Post Office Department than a classified station."

Carmen Cavallaro To Appear In Concert Here Next Season

Carmen Cavallaro, known as the "poet of the piano," will be a guest artist for the Tri-City Community Concert Association's 1964-65 season, it was announced today by Mrs. John E. Lee, association president.

Mr. Cavallaro's appearance here will be one of several concerts to be offered to members of the Community Concert group next season, and tickets will be available only through membership in the association. The group admission tickets will be sold in advance or at the door.

The announcing concert, being made as the association prepares for its 1964-65 membership campaign with a goal of 100 members for the 12th concert.

Mrs. Terry Francis, membership chairman, said letters for renewal memberships are being mailed this week. The campaign will be opened to the public during the week of April 27 through May 2. The campaign will be opened to the public during the week of April 27 through May 2.

Mrs. Lee said Mr. Cavallaro has earned "a solid reputation in the world of music for his interpretations in jazz, swing, popular music and semi-classics. You name it and Carmen can play it."

GC Rhythm Ensemble To Return To Mexico

Invitation by Mexican
Government for Concerts
In 15 Major Cities

Granite City's internationally-known Latin-American Rhythm Ensemble, which two years ago captured the hearts of Mexicans, will return there July 24 for a one-month tour of 12 Mexican states as guests of the Mexican government.

The director, R. D. Todoroff, returned from Mexico City Thursday evening after completing arrangements for the 3000-mile tour through Mexico on a private, first class rail coach which will be made available to the group of 40 Granite Cityans that will include the same 21 youngsters who made the trip in August 1962.

"We'll make the trip to the border July 24 and arrive July 25 at Nuevo Laredo, where the rail coach will be placed at our disposal for only a token charge of \$10 a person, and then the tour through Mexico will begin, with our return to Granite City Aug. 24," Todoroff said.

The tour will be made by the same group of youngsters who spent several triumphant weeks in Mexico City in 1962. At that time all were Coolidge junior high school pupils, but now most are in senior high school.

Group Is Instruct

While Todoroff has another junior high school ensemble organized, he has kept up the rehearsals for the original group since they are the ones invited for the return trip.

"The group is still being taught Spanish fluently, went to Mexico City a week ago at the request of the Mexican government, to make the arrangements."

During 12 of Mexico's 20 states, the ensemble will present 20 concert performances, mostly in the capital and major cities. The Mexican government has the choice of selecting the site of each concert and the amount each state may charge admission for the concerts to raise funds for charitable purposes.

This will be a more wonderful experience for the group than before because they'll be able to see more of Mexico, its physical characteristics and more of the people.

Guests Of Government

At each stop they will be guests of the government. The state will be to provide hotel accommodations and meals.

BEST EASTER EGG HUNTERS in the division for pre-school through kindergarten age children received awards Saturday at Wilson Park from Milton Worthen (left), vice-president of the Granite City park district. Winners in front row, left to right, included—Martha Portell, two; Charles Haws, six; Kevin Weston, five; Kathy Hill, five; Cindy Orrick, six; Mary Yarbrough, four; Judy Moore, four; Debbie Counts, three, and George Groves, three.

Easter A Frigid Day In This Area; Damage By Wind

Observance of Easter in the Quad-Cities was accompanied by the temperature drop steadily during the day from a high of about 40 into the teens. There were high winds throughout the day, which gusts caused some damage.

Wind broke two 4x6-foot windows in a vacant store building at 308 Madison avenue, Madison, and extensively damaged the roof of the 2500 block of Miracle avenue, reports indicated.

Winds were blown down at 1:30 p.m. Sunday on Market street in Madison, at 1:45 p.m. on the highway between Market and Madison, and at 2:05 p.m. on a house at 1013 Market street, Venice.

500 Children Grab 600 Eggs Quickly in Park's 1st Hunt

With winds as pink as white Easter bunnies, about 300 children braved 30-degree temperatures Saturday morning to participate in the Granite City park district's first annual Easter egg hunt at Wilson Park.

Although park district officials had 500 dozen candy eggs throughout the park, there were a few complaints from parents who said their children didn't find any.

Brown said the situation would be remedied next year. He indicated more eggs would be distributed and that each child would be guaranteed an egg.

Chocolate Rabbits and Eggs

Chocolate rabbits and Easter baskets were given as prizes.

Major Prize Winners

Among the major prize winners in the pre-school through kindergarten division were six-year-old Charles Haws, who received a large stuffed white seal for finding the most eggs and two-year-old Martha Portell, who was presented a three-pound chocolate rabbit for finding the golden egg.

In the grades one through three division, Ricky Bission found the golden egg. Carla Werba collected the most eggs. Doreen Ponder had the most eggs among other girls and Patrick McLaughlin had the most eggs among the boys.

Prize winners in the division for grades four through six included Nancy Meadows, finder of the golden egg; Cynthia Bradley who picked up the most eggs for boys, and Dale Polite, second most eggs among boys.

Each division hunted in a different park area.

Explosion At Massey Dairy Blasts Windows

An explosion on the second floor of the old Massey Dairy Co. building at 20th street and Madison avenue shattered several upstairs windows and tossed bricks and the shortly after exploded.

The Granite City fire department said there was no fire and that the cause of the explosion was not investigated. There was no estimate of damage.

Dog Sought So Youth Can Avoid Rabies Shots

Madison authorities are seeking to locate a small grey and black German shepherd dog which bit Don Osborne, 17, of 84 Gresham Homes on the hand in the 1800 block of Washington street Sunday afternoon.

Unless the dog can be located for a series of observations, the boy will have to take the painful series of anti-rabies shots.

GC Air Pollution Committee To Meet With Expert Apr. 15

The Granite City council's Air Pollution Study committee is hopeful of finding answers to pure air problems at a meeting tentatively set for April 15.

Chairman Samuel Whitmer, chairman said arrangements are being made for Jack Sadler, who is in charge of the U.S. Health Department's two-state survey team to meet with the committee on that date.

Whitmer said the committee has been supplied with a large number of pamphlets from Sadler's St. Louis office and is in the process of studying them.

Local Red Cross Chapter Seeking Information for 12 Quad-City Families

The wife and seven-year-old son of a Granite City serviceman, Gordon L. Wallace, 37, stationed at Kodiak, Alaska, are missing following a tidal wave that struck the island after the disastrous earthquake Friday evening. It was learned through the local Red Cross Chapter.

Mrs. Theodore Overbeck, executive secretary for the Tri-City ARC Chapter, said telegrams were sent off Saturday morning for 12 Quad-Cities families, but no replies have yet been received due to a breakdown in communications.

"The replies should come directly to this office and will be forwarded to the families here as soon as they are received," she explained.

All inquiries now received will be sent out special air mail.

The inquiry about Wallace was made by a sister, Mrs. Laura Mae Hawkins, 22 Rivera drive. He also has another sister, Mrs. Josephine G. Hawkins, a brother, James Wallace living here.

Mrs. Hawkins told the Press-Record that Wallace was a member of the U.S. Navy-Air Force, has been in Kodiak about two years. He is believed to be safe, but no one knows whereabouts of his wife, Arlene, and stepson, Jackie, 7.

Wallace is a native of Greenville, Pa. They are listed as missing.

No word has been heard from two Granite City civilians in Alaska—Fred Stille, brother of Elmer Stille, and Thomas Wilson, son of Mr. and Mrs. A. M. Wilson, 1442 Cleveland highway, a suburb of Anchorage, and a teacher, Wilson is living at Fairbanks and is a government employee.

Other inquiries have been made by Mrs. William J. Benson, 1852 Joy avenue, concerning her son, Ernest McConnell, who is with the U.S. Navy at Mountain View, Alaska, and two children are there with him.

One, is seeking information about his brother, Vincent Lovett Jr., at Elmendorf Air Force Base, son of Mr. and Mrs. Charles Martin, 3, and Madelyn Stille, a native of Mountain View.

Raymond Herschbach of Bend road, also is inquiring about a missing relative, Clarence Herschbach, who lives at Anchorage, with his wife, Kelly, and three children, ages two to five.

Asking About Son and Family

Mrs. Catherine Wilson, 212 Barcliff, is asking about her son, William G. Wilson, who is with the 48th Engineer Co. at Fairbanks Base near Anchorage. With him are his wife, Nora, and two children, James and Mary Elizabeth.

Pauline Keel, 2205 Edwards street, has three relatives in the Alaska area and is seeking to learn their whereabouts. They are a brother, George Hobson at Fairbanks AFB; a brother-in-law and sister, George and Madelyn, who live in Anchorage.

Sheriff Lists His 1963 Income

Sheriff Barney Fraundorf and his wife, Marie, had gross income of \$13,932 in 1963, he advised the Press-Record Friday in carrying out a pre-election pledge to disclose his income tax return.

Included were his \$11,000 salary, \$2799 paid to Mrs. Fraundorf as county jail matron and \$152 in dividends and rent. Also listed was a \$4125 non-taxable Madison city pension. He was Madison police chief until his election as sheriff in the fall of 1962.

Fraundorf noted that the matron is on call at all hours of the night and day and that their children in the jail building re- sults in his wife being available on such a basis.

He said her duties include taking charge of all women prisoners; seeing to it that the clothing of both men and women prisoners is washed and dried properly; supervising food purchased from outside vendors; operating of the jail kitchen; accompanying the sheriff in transporting women prisoners to and from the jail and to other institutions; and helping in the jail office when needed, such as booking prisoners, typing statements and relieving the radio dispatcher.

Downtown Offices
Hit By Burglars;
Large Tavern Haul

Three downtown offices were burglarized Friday, including those of the Chamber of Commerce, United Fund and a dental office, as 11 burglaries and thefts were reported to Quad-City police since Thursday. A large haul of merchandise was taken from a tavern.

Harlan Dobry, executive secretary of the Tri-Cities Chamber of Commerce, reported a burglary at the Chamber office, 1930 Edison avenue, between 5:30 and 6:30 p.m. Friday. The cash desk drawers were pried open, but nothing was reported missing. He said \$25 which had been in a drawer was deposited in a bank earlier. There was no sign of forced entry.

A burglar took \$47 in currency from a cash box in the office of Dr. A. W. Triand, dentist, at 1308a Nineteenth street, between 3 p.m. Friday and 11 a.m. Saturday. There was no sign of forced entry.

A safe was pried open at the Tri-Cities United Fund office, 1330a Nineteenth street, between noon Friday and 10:50 a.m. Saturday, yielding an unknown amount of petty cash. Nothing else is believed to have been taken. There was no evidence of a forced entry.

Liquor, Cigarettes Stolen

Burglars entered with large amounts of liquor and cigarettes from vending machines in change from taking machines, the cash register and a small penny jar in a break-in early Saturday at the Amie Tavern, 855 Nidringham avenue. It was reported by Ernie Sendeles, proprietor, at 5:15 a.m. Saturday.

Also taken was a 21-inch television set and a small transistor radio. The loot included two mixed cases of fifth of whisky, 41 loose fifths, six pints, 17 half pints and 270 packages of cigarettes. The variety included cigarettes.

The vending machines were broken open, and entry into the tavern, after 1 a.m., was made by police with a half inch hole, police said.

A Quad-City Cab Co. taxi was broken into at 5:15 a.m. at the Mor Bowl shortly before 1:15 a.m. Sunday but was recovered by police about 15 minutes later on the Coolidge high school parking lot.

The cab driver, Bill Benson, 2102 Delmar avenue, had driven to the bowling lanes and entered the building to locate his brother, who was working there. He returned to where he had left the vehicle, 1014 Madison street.

Bus Driver Robbed

Edward Jeff, 35, of 4120 Kaseberg lane, a bus driver for the Bi-State Transit system, reported that he was robbed of \$150 in coins at 7:55 p.m. Sunday at Madison and Walnut streets.

Auto On Rail Trestle

A motorist drove onto the railroad trestle at the eastern end of the McKinley Bridge at 1:30 a.m. Saturday and was assisted by police in backing his vehicle to the bridge traffic lane. The car was not damaged.

Annual Service Banquet

Union Starch Gives Special Award To Gilbert R. Sykes

The surprise distinguished service award, presented each year by Union Starch & Refining Co., went to Gilbert R. Sykes during Saturday night's annual long-service awards banquet. The presentation of a plaque to Mr. Sykes was made by T. R. Reed, president of the company.

The ceremony was conducted in the banquet hall at Statler Hotel, St. Louis, where the annual affair has been held for the past 10 years. About 160 persons were present and special recognition was given employees reaching 25, 30, 35 and 40 years of service with the company.

Mr. Sykes, who lives at 3012 Buxton avenue, was given recognition for being an "ideal" employee since he first joined the company in 1923. He was then assigned to the feed elevator on a temporary assignment and has been with the firm for 41 years.

Glen F. Keithley, vice-president, personnel, served as master of ceremonies, and C. Harris Weerts, vice-president and secretary-treasurer, gave the invocation. The awards presentation were made by President Reed, B. J. Hunter, vice-president manufacturing, and James P. Casey, vice-president, research and development.

Foreign Operations Report
Reed gave a report on the firm's foreign operations. The hosts and hostesses were Mr. and Mrs. J. T. Brady, Mr. and Mrs. M. W. Davidson, Mr. and Mrs. J. R. Harsh, Mr. and Mrs. E. A. and his adaptation of a free style with jazz and popular music. He has consistently maintained a high place in sales of recordings, television and radio performances, motion pictures and personal appearances with his various musical groups in concert tours.

His program in concert is designed to encompass nostalgia, basic rhythms and all-around good music, Mrs. Lee pointed out. "It can be said truly that Cavallaro music has something for everyone. He is as much at home with his celebrated rendition of Chopin's Polonaise as with his enormously popular Latin arrangements or in the current jazz idiom he employs so well."

Tri-City Community Concerts will offer two other programs during the year, and these artists will be announced at a later date.

One concert remains for the current 1963-64 season with the appearance of pianist Philippe Entremont on May 3. New Community Concert members will be admitted to this season's final concert as a bonus.

Missing Since Accident

Toy Poodle Of Randolphs Home After Seven Months

This is the story of a little dog, once thought lost forever and now safe at home in Granite City.

It began with tragedy: In the early morning hours of Aug. 26, 1963, Rev. J. R. Randolph, his wife and 11-year-old daughter Janice Renee were driving through Missouri to attend a general council session of the Assembly of God in Memphis, Tenn. There was a head-on crash, killing Rev. Randolph and his daughter and seriously injuring Mrs. Randolph.

At the time, according to Rev. Allen R. Randolph, who succeeded his father as pastor at City Temple here, the family's purebred toy poodle was apparently sleeping in the back seat. Somehow, the pastor said, the dog leashed was caught in the car door and little Beaux—unhurt—was seen standing next to the burning auto. Then he disappeared.

Recently a pastor friend of the Randolphs—he had visited the church here—took his female poodle to a shop in West Memphis, Ark. for a trim.

"While he was there," Rev. Randolph said, "he saw a male toy silver-grey poodle like his. He wanted to breed the poodle and contacted the man who had the other dog."

"The man agreed but when he charged only \$20 instead of the usual \$100, our friend wondered why. Then the man told him the story of the wreck. He said he was the first to reach the car and that the dog was given to him. But, of course, there was no one who could have given it to him."

"The Randolphs' friend reported the story to the family here."

PTA Scholarship Goes To Wood River Girl

Mrs. Frank Hanfelder, district 29 director, Illinois Congress of Parents and Teachers, today announced the selection of Miss Linda Killam, a daughter of Mr. and Mrs. Byron Killam of Wood River, as the recipient of the 1964 district PTA scholarship.

The \$1000 scholarship is awarded annually to a graduating high school student of the district who is planning to enter college for the purpose of becoming a teacher. Contributions to the PTA scholarship fund is made by individual PTA units throughout Madison, Jersey and Calhoun counties.

The District 29 scholarship selection committee met Thursday evening.

Among those serving on the committee with Mrs. Hanfelder were Wade James, principal of Dunbar school, Madison; and Ray Dragich, assistant superintendent of schools in Madison county.

5 Children In Mishaps Treated At Hospital

Five children were given emergency treatment at St. Elizabeth Hospital for mishap injuries they suffered on Friday.

Terry Johnson, two, son of Mr. and Mrs. Rance Johnson, burned his right hand when he placed it in a pan of hot fudge.

Nancy Greer, five, daughter of Mr. and Mrs. Thomas Greer, 2672 Center street, caught her right little finger in a door, and three stitches were required.

Walter Lee Forester, four, son of Mr. and Mrs. Robert Forester, was jumping on a bed when he fell and hit his head on the bed post, suffering a deep one-inch laceration above the right eye.

Randall Heuser, two, son of Mrs. Phyllis Heuser, 2121 Washington avenue, fell down the steps and suffered a laceration under the chin.

Joseph William Bolt Jr., two, son of Mr. and Mrs. Joseph W. Bolt Jr., 2227 Missouri avenue, fell while playing with a toy tractor. He suffered a laceration to the upper lip and a small laceration of the right eyebrow. Sutures were taken.

Truck-Auto Accident

A dump truck driven by William R. Powers, 63, of 2700 West 11th street, backed into a parked car owned by Thomas Candler, 22, of 2507 Denver street, while it was parked in front of his home at 2:45 p.m. Thursday. The hood, chrome piece and bumper of the car were damaged.

Brakes Fail, Curb Hit

Robert Andrews, 38, of 4130 Rode avenue, reported that the brakes to his car failed and he struck a curb at 2300 Missouri avenue to avoid hitting another car at 4:30 p.m. Friday. The right front fender was damaged.

Parked Auto Damaged

Melvin Castleman, 1600a Cleveland blvd., reported Friday that a hit-and-run driver struck and damaged the left rear fender and bumper of his car while it was parked in the rear at his home.

Ill. Power Co. Signs Interchange Agreement

Allen Van Wyck, president of Illinois Power Co., announced today that an agreement has been signed with the Indiana and Michigan Electric Co., providing for the interchange of electric power. The power exchange will be made through the extra high voltage 345,000-volt transmission line built by Illinois Power Co. last year.

Indiana and Michigan is one of a group of companies known as the American Electric Power System which operates in Indiana, Michigan, Ohio, Virginia, West Virginia, Kentucky and Tennessee.

Illinois Power is a member of the Illinois-Missouri Power Pool of which Union Electric Co. and Central Illinois Public Service Co. are members.

Customers of the AEP System use more electric power in the winter months than they do during the summer months. But in the Illinois-Missouri Power Pool, the greater use occurs during the summer.

According to Van Wyck, that provides an ideal exchange policy, as each group furnishes power to the other when its own demands are lower and when its generating equipment is not being operated at full capacity.

He said this new agreement will make it possible for both systems to postpone the addition of expensive generating equipment which will provide savings in investments that will benefit customers of both systems.

Three Traffic Charges

Police charged Raymond Valencia, 22, of 2220 Wayne avenue, with driving without a license, driving with fictitious license plates and speeding in a 700 block of Madison avenue at tractor.

He was released on \$400 cash bail pending a hearing set April 6. The right front of the car was damaged.

GC Commission Interviews 7 MFT Engineer Applicants

A special commission of the Granite city council delegated to recommend the appointment of a firm to serve as the city's motor fuel tax project engineer is planning to submit its report to the board of aldermen next Monday night.

The commission interviewed representatives of six firms Saturday morning in the mayor's conference room at the city hall and will meet again Wednesday evening to review the data gathered and prepare its recommendation.

Commission chairman G. H. Stenberg, who also heads the council's Street and Alley committee, said the commission plans no announcement in advance of next Monday's council session when the names of at least two firms will be submitted.

It was learned the cost of engineering services for city motor fuel tax projects is expected to be reduced through minimum fees proposed by the engineering firms.

Those interviewed were—Morgan Corlew of M. B. Corlew & Associates, Edwardsville; Edward Jurek of Sheppard, Morgan & Schwab of Granite City; J. S. Stevens of J. S. Stevens & Associates, St. Louis; Paul L. Lajot of Lajot & Weber Engineers, St. Louis; R. M. Harrison and Paul Hagler, a Granite Cityan, of M. Harrison & Associates, St. Louis; and John E. Mutholland Jr. of Research, Planning & Design Associates, St. Louis county.

Members of the commission taking part in the interviews from 9:30 a.m. until shortly after noon were Charles W. Moerlein, William McGee, Walter Nunn, Earl Thompson, Steve Basarich, Paul Rutledge, Samuel Whitmer and Stenberg.

Campus Tour For Club Women

Quad-City club women, together with other club women of Southern Illinois, are planning to attend a Federation Campus Day Thursday at Sunset Hill Holiday Inn. A feature will be a tour of the new SWIU campus.

Sponsored jointly by the Illinois Federation of Women's Clubs and Southern Illinois University, the program is designed to give club women a better understanding of the new trends in higher education and "how they and their communities can be benefited by services offered at the Edwardsville Campus of SWIU," according to Mrs. Richard F. Feeney, state education chairman of the federation.

The program will open at 9 a.m. with auto tours of the new campus followed by registration at 9:30 in the lobby of the Inn. After a brief welcome by SWIU's president, Delvina W. Morris, the morning session will begin with a talk on "New Dimensions of Environmental Planning" by John Randall, associate university architect, followed by a panel on the professional and adult opportunities on the campus.

Participants will be SWIU staff members: Prof. H. Bruce Brubaker, assistant to the vice-president; Mrs. E. K. Stevenson, supervisor, industrial and technical programs; Prof. John J. Glynn, head of the business division.

Luncheon in the Ninkan Edwards Room at the Inn will include a talk on "Strategies of Intervention in Juvenile Delinquency" by Charles V. Matthews, supervisor of the delinquency study project at SWIU.

During the afternoon session Mrs. Margaret Shay, head of the department of nursing which was transferred to the local campus from Condonale in spring, will discuss university education for nurses.

Candidates Add To School Comments

Amplifying their comments which centered public attention last week on a move to fire Granite City School Supt. Harold M. Kaiser, Candidates Robert Cudde and Dr. E. W. Walton said in a Forum letter today that they admire teachers and believe they should be "at or near the top of all professions both in prestige and compensation."

The two added in the letter that "we explained our position to the teachers' committee; apparently they doubted our integrity." They said that "laboring men and women must be paid a decent wage, not only for their sake but for the economic life of the business community as a whole."

Dr. Walton reported last week that a delegation of three teachers and a school board member offered him campaign support by the teacher union in return for agreeing to fire Dr. Kaiser. Several other candidates reported less direct contacts by teachers.

Cudde commented Saturday, "I was interviewed by the teachers' union and was asked what personnel or administrative changes I would recommend. No names were mentioned directly to me personally."

"I indicated that I would not make any commitments until elected to the board and had a chance to review the situation. For myself, I was the first rural candidate interviewed."

"I was quoted as saying that since I do not have the teachers' support, I felt that my chances for election were not as good. I still feel that way, because I realize the teachers' union has over 400 members and, normally, these are the people who vote in a school election."

"I was also quoted as saying that I had been asked if I was in favor of firing Dr. Kaiser. I have been asked this many times. My answer then and still is now that I wouldn't be in favor of firing anyone until elected and had a chance to review the situation."

"Dr. E. W. Walton and myself are running as a team, and I sincerely believe if we are elected we will give the citizens two honest, capable, sincere, free-

thinking board members," Cudde concluded.

Madison High Slated For Baseball Opener

Baseball practice at Madison high school has been hampered by the cold weather and Coach Earl McClanahan may be forced to tackle three opponents this week with much less preparation than desired.

McClanahan hoped to drill his team outdoors this afternoon, but if the air is too nippy he said he will settle for an indoor workout.

The Trojans are slated to open their season with a Midwestern Conference game tomorrow at Roxana.

Then, a non-conference game at East St. Louis is on tap Wednesday, followed by the home opener Thursday against Highland, a Midwestern team.

All three are scheduled for 4 p.m.

Cold Weather Stalls GC Baseball Season; Eight Varsity Games Scheduled This Week

First Five Games Must Be Postponed; Sparta Visits Here

The first five baseball games scheduled for Granite City high school were called off due to cold and damp weather, but a heavy schedule is lined up for the Warriors this week.

Last week, Coach Joe Fedora's squad was scheduled for a single game Thursday at Triad and for doubleheaders at Staunton and Freeburg on Friday and Saturday. But, after fair weather Tuesday, the weather turned sour and has been so ever since.

Fedora held out hope for Saturday's games up to the last possible moment. Freeburg's diamond was too wet, so consideration was given to switching the game to Wilson Park here which was playable.

"But it was just too cold," said Fedora, "we have to take a chance on somebody pulling a muscle or hurting an arm this early in this season."

The coach said the Triad game probably will not be rescheduled. The Staunton and Freeburg twinbills were reset as single games. These revisions cut the Warriors' original 34-game regular season card to 31 games.

The Freeburg contest was set for 11 a.m. today at Freeburg, preceding the Midgits' 1:30 p.m. game with Belleville Cathedral. Temperatures in the 20s early this morning threatened to postpone the game once more.

More Cold Ahead

The weather bureau predicts cold through mid-week, when a warming trend is foreseen. Along with warmer temperatures, however, possible showers are forecast, so this week's cold schedule also may be chopped up.

Counting the game with Freeburg today, the Warriors have eight games booked for this week. At 4 p.m. tomorrow, they are slated to open the Southwestern Conference season at Wood River.

The contest at Staunton has been set for 4 p.m. Wednesday and the club is slated to visit Alton at 4 p.m. Thursday for a conference battle.

Friday is an open date, but two doubleheaders are on tap at Staunton and Freeburg, with Wilson Park and part of the Granite City squad going to Cahokia.

The local gang is slated for noon with the Cahokia contests getting under way at 11 a.m.

The double doubleheader is one of three such dates on the Warriors' schedule, designed by Fedora to give a second-year players playing experience for the post-season tournaments.

The sophomore squad is also slated to open this week with a single game Tuesday with Wood River. The game is slated at 11 a.m. Thursday and a twinbill Saturday at Cahokia.

Collinsville Tabled Tops

Fedora sees Collinsville as the top team in the conference this season but predicts a close race with Belleville and his own team figuring in.

"I'd say a 9-3 record would be good enough for at least a share of the title," he said.

The Warriors' first scheduled conference for the Wood River Ollers team, has seven lettermen back from last year's overall mark, which compiled an 11-0 overall mark. The top pitching prospect is Terry Brown, Ollers' basket ball star.

The second Southwestern opponent, the Alton Redbirds squad, already has squeezed in two non-conference games, losing to Civic Memorial of Bethalto 2-0 and Memorial Marquette of Alton 5-3. In the games, the Redbirds managed a total of just six hits.

Collinsville won last year's title with an 11-1 mark, followed by East St. Louis 8-4, Granite City and Edwardsville 7-5, Belleville 5-7, Wood River 2-9 and Alton 1-10.

The Kahoks of Collinsville 15-5-1 overall last year, have eight lettermen back, including

as pitcher Harry Parker, who was 6-1 last season. The team is billed as being very strong up the middle, with Otto Deak at second base, Carl Shemoney at shortstop, Cal Yates catching and Bill Eckart catching.

Two Flyers Back
Only two lettermen, however, are back for the 1963 runners-up, East St. Louis' Flyers. They are third sacker Greg Gregory, a 200 hitter, and Welfy Johnson, a 240 hitter, and last year's fourth sacker, which had an 11-8 overall record.

Belleville's Maroons, generally stronger than their fifth-place conference finish and 17-8 overall mark, have three veteran pitchers among their nine lettermen. They are Jay Westcott, Dave Englebreton and Darrell Allen. Delis Gorman, a 370 hitter, returns behind the plate. The Maroons' outfield at Staunton, Cal Yates catching and Bill Eckart catching.

Edwardsville's Tigers are expected to be strong with six lettermen returning, including pitcher Dave Bopp (5-3) and outfielder Beale Weller (2-3). The team had a 16-3 mark last year and won the district and regional titles before losing to Granite City in the sectional.

The Warriors, 24-9-1 as they finished second in the state tourney, have 11 lettermen back. During the past week, the varsity squad worked out indoors much of the time, swatting at rubber balls.

The streak of postponed games has at least one good point, according to Fedora: "We're still undefeated," he cracked.

Two Gitchoff Squads In First Place After Posting YMCA Soccer Triumphs

Gitchoff Agency teams hold first place in two YMCA soccer divisions after posting victories Saturday.

The Gitchoff club in the Atom Division topped Memorial Honorary 3-0 at St. Elizabeth's school and hosted its victory over St. Louis Kats and GBU Insurance out of first place. Scoring goals were John Fritz, Ted Geggus and Steve Olson.

Gitchoff has a 3-1 record while Memorial Honorary is 2-1-2. In the Atom contest, Lueder Agency topped St. Elizabeth's 2-1. Billy Skirball and Mike Mudd scored for Lueder's team while Brad Brinkhaus booted the losers goal.

The Gitchoff Bantams maintained first place with a 3-0 triumph over Credit Union as Jim Forrester scored twice and Jeff Burton one Gitchoff has a 4-0-1 mark.

In other Bantam games, Buzz's slugged St. Elizabeth's 8-1 as Bobby Galvan scored six goals. Teammates Mike Martinez and Mike Fulcher along with St. Elizabeth's Mike Wilson had one goal each. Fairmont City topped Uncle Charley's 2-0 as Ray Fernandez and Joe Martinez scored twice each and Jim Santanton and Dave Garcia each.

First-place Lincoln Place smashed Rozzycki Realty 9-0 in the Midgits Division as John Martinez scored five times, Bob Carter twice, Ray Deerra once and Ricky Smith once.

Gene Canavan's goal gave Twilight Optimist a 1-0 win over St. Louis Kats and GBU Insurance. Downed Bricklayers Local 6-0 in the Atom division. Scoring for GBU were Mike Christopher and Jerry Monahan, two goals each, and Dennis Reutebach and Norman Seim, one each.

Ruben Mendoza, soccer program director, announced four makeup games for this week. All are scheduled for 5 p.m.

In the Bantam Division, St. Elizabeth's meets Uncle Charley's Tuesday at St. Elizabeth's, Gitchoff plays Buzz Wednesday at Coolidge Junior high school, and St. Elizabeth's tacks Fairmont City Thursday at St. Elizabeth's.

Also Thursday, GBU plays 12 organizations completed in the Junior Division (up to 13 years of age) and the Open Division (17 and over).

Three other YMCA entrants finished second. They were Leonard Fuchs Jr. in the 68-pound class and Mike MacMillan in the 85-pound class, both in the Junior Division, and Skip MacMillan in the 123-pound class of the Open Division.

Two champions in the Novice Division represented the Granite City park district team. They were Gus Schalkham, 103 pounds, and Dan Wilson, 123 pounds.

Runners-up from the park district team were Jan Gitchoff, 103 pounds, and Dan Wilson, 123 pounds. The park district team won the Novice competition with 45 points, as compared to 22 each by Ritenour and Mchville.

Two Granite Cityans wrestled for Ritenour teams. Rich Bledsoe won the 123-pound Open Division crown by beating MacMillan and Jim Bledsoe finished second in the 148-pound class of the same division.

Alton Coach Dismissed
Herman Edwards, head basketball coach at Alton high school, has been fired by the Alton school board. In two seasons, his teams have won 21 and lost 25.

This year's team had an 11-11 record, including one win and one loss against Granite City in the Southwestern Conference. No successor has been named.

Park Leagues Need
A Manager, Players

A manager and more players are needed by the Granite City park district for its summer baseball program for boys.

Harold Brown, director of parks and recreation, said a manager is needed for a team of 15 boys in the Bantam Division (ages 9-11).

An additional 12 players are needed for the Atom Division (ages 12-14) and 10 for the Junior Division (ages 15-17). Interested Atom players may call Gene Presley at TR 6-8066 and Midgits players may call the park office at TR 7-3059.

Brown said one more team is needed for the new four-team Senior Division for players 17-21 years old.

Court Demands Records In Transit Firm Suit

Circuit Judge Harold Clark has ordered the former Community Coach Co. to produce for inspection its audits, reports of financial statements, checks, checks and other data for the years 1958-59-60, following a hearing on the matter held at David E. John, former secretary of the transit firm.

The court also has asked that other data on the purchase of Community Coach Co. stock be made available for inspection as well as the individual records of George W. Stearns, former company president, on the purchase and transfer of stock.

In his suit for an accounting of the firm's assets, John's complaints charges that 450 shares of Community Coach Co. stock were issued without his knowledge on Sept. 25, 1959, bringing the total number of outstanding shares of stock to 800.

John, who owns 50 shares, also seeks \$4800 in salary due him through 1963 and alleges that the 450 shares of stock issued Sept. 25, 1959, were distributed to six companies with Stearns as a major financial interest.

The court has ordered Community Coach Co. and Stearns to produce the records requested by June 30, 1964.

The local transit firm was purchased for \$400,000 on March 31, 1963, by the Illinois-Missouri Bi-State Development Agency and has since become part of a merged network of 15 bus companies in the metropolitan St. Louis area. John's suit claims there was \$381,502 remaining for distribution to Community Coach Co. stockholders from the sale after payment of all debts and expenses.

Toll Collector Charged With Not Paying Toll

Halted by Venetian police at Broadway and McKinley avenue, Edward Reinhardt, 43, of 2720 Michigan avenue was charged with failing to pay the McKinley Bridge toll at 11:30 p.m. Friday.

An Eads Bridge toll collector and policeman, he denied the charge. A McKinley collector said he passed a toll collection on the wrong side and did not pause for payment of the 25-cent toll. He was released to appear for a hearing this week.

New Chamber Office Is Designed For Efficiency

Seeking more efficiency in its office working area, the Tri-Cities Chamber of Commerce will move to 1831 Delmar avenue tomorrow from its present location at 1930 Edison avenue, according to Chester L. Baker, president.

Baker said, "Our new 800 square foot office is designed for efficiency and it will help us serve our members better."

The office, which is adjacent to the planned Associated Retailers and Civic Association's new office, will have a reception area, office facilities for three secretaries, a work and storage area, the manager's office and small committee room and a conference room that will be shared with the Associated Retailers.

Horton Dobry, manager of the C. of C., said there are no plans to take on more workers, but he said, "The present staff will greatly appreciate the added space in which to work."

Baker said that by moving adjacent to the Associated Retailers, both having offices on the first floor, will give the business community more convenience.

He added that final phases of the remodeling job that was done by the building's owner, Brookline Machine Co., were completed over the weekend.

Gabriel and Dulgeroff and Associates, Granite City architects, designed the office.

Area Plan Group OKs Preparing 1st Budget Of \$83,000

The Southwestern Illinois Metropolitan Area Planning Commission authorized its executive board Thursday night to draw up a 1964-65 budget beginning April 1 and to call a public hearing. The action was taken during a dinner meeting at Augustine's restaurant, Belleville. It will be the first budget for the new commission.

The budget will total about \$83,000 and includes \$18,000 for the value of services to be provided by Southern Illinois University in planning programs.

The \$18,000 services is considered as the one-third matching fund for a \$36,000 federal grant to be obtained by the commission. The federal grant already has been approved by the Housing & Home Finance Agency and receipt of the money is awaiting the signing of all contracts.

The commission has an unexpended balance of about \$28,000 from a two-year state appropriation of \$37,500 approved last July 1.

Salaries costs not including salaries was estimated at \$15,325 and capital costs at \$2847 for a total of \$18,172. The capital cost was reduced by \$3235 as the state provided the commission an automobile.

The commission authorized a land use and land characteristic study for Madison and St. Clair counties and to negotiate a planning contract with St. Clair county to study county building needs. The commission will seek federal urban planning assistance grant for the two projects.

The executive board was authorized to advertise for bids to air condition the commission office located in the Collinsville water works building.

REFERENCE ATTENDANCE

Alton May, commission president, Edw. Holzner, treasurer, and Theodore Miskell, executive secretary, were authorized to attend the American Society of Planning Officials conference April 5-9 at Boston, Mass.

Bills approved covering the period since last July were travel, \$1187; utilities, \$227; salaries, \$3175; postage, stationery and office supplies, \$244; and rent, advertising and other expenses, \$1724, for a total of \$6478.

Changes In County Board Procedures Are Proposed

A job classification system for courthouse workers, consolidation of two county board committees and formation of an executive committee are to be proposed to the board upon its meeting at 5:30 p.m. on April 8.

The proposals were worked out last week by the rules committee, which is to meet again April 8.

The job classification system was suggested by Nelson Hagman, Granite City supervisor. The system would standardize pay scales for various job groupings and is working out in St. Clair county, it was reported.

The April 8 meeting will be to work out final arrangements for presentation of the recommendations. The rules committee plans to suggest consolidation of the rules and the judiciary committees to be called the rules, judiciary and advisory committee. If approved, the committee would have 25 instead of 28 members.

Rules committee chairman, Wilford Sussen, Forth Russell township supervisor, said the proposed executive committee could be composed of the heads of all committees and members of the finance committee and could be called to meet several times a year with the county board chairman to discuss major items.

Members of the rules committee agreed that a job classification system would be advantageous to the finance committee for preparation of the county's annual budget.

3205 Wylshire Drive
TR. 7-0427

Mrs. Ann Pare, president, conducted the March meeting of the St. Elizabeth Altir Society Wednesday evening in the school cafeteria, with 102 members and their husbands in attendance.

Rev. Lawrence Mattingly gave the opening prayer. Mrs. Josephine Uram introduced Mrs. Walter Gerleman of St. Louis, who was guest speaker. Mrs. Gerleman is a volunteer worker in teaching sex education to adolescents and is associated with the Social Health Association of Greater St. Louis. In conjunction with the topic, she showed three

films on the subject and held a discussion before and after each film with the parents to obtain their opinions and reactions.

A brief business meeting was held following the program. Ten cakes had been baked by the members, all in different shapes, such as an egg, rabbit, crown, cross, hot cross bun and others.

Mrs. Alice Ann Neumann explained the connection of each symbol with Easter, and said they can be used by mothers to instruct their families about this religious season. Mrs. Neumann has just completed a book which was published through the Altir Deamery of Catholic Women, entitled "At Home With the Liturgical," which covers a full year of holidays and ways to decorate the home and food.

At the close of her explanation, the cakes were given as

prizes to Mesdames Niebur, Vivian Bever, Jean Schwarzkopf, Marie Zimmer, Zoe Conlin, Ruth Malotki, Mrs. Neumann and Mike Naglich. The Madonna award went to Mrs. Dorothy Willard, and the angel of the month to Mrs. Veronica Patrick.

The next meeting will be held Apr. 22.

Brownie Troop 364, sponsored by St. Elizabeth school, held a regular weekly meeting, Wednesday afternoon at the school. The meeting was opened with a flag ceremony. The remainder of the meeting was used to finish Easter baskets, each girl making two, one to be taken home and one to go to the children's ward at St. Elizabeth Hospital.

A surprise Easter gift, the golden world pig, was given to each girl from the leaders, Mesdames Helen Favier, Olga Tritan and Mary Monerick.

The meeting closed with Mesdames Ruth Ann Lou Awalt, Sandy Harper,

Ann Anderson, Maureen Andria, Mary Ellen Barth, Toni Culbert, Janice DeWitt, Katrina Duncan, Annette Favier, Debra Fiedal, Helen Gramani, Debra Heath, Donna Kaseberg, Connie Kosterer, Cathy Kutsky, Cathy Leeper, Denise Lehnkuhl, Jean Marie Mevau, Regina Menard, Jackie Miller, Catherine Morris, Karen Nemeth, Ruth Pfaffen, Donna Portell, Lauren Patten, Diane Rusick, Karen Patty and Theresa Scaturro, Lou Ann Schwager, Sally Schwager, Kimberly St. Ivany, Dinah Thompson, Judy Trian and Phyllis Von Nida.

The next meeting will be held Apr. 1 at the school.

MRS. TWEELMAN HOSTESS TO DOUBLE DOZEN CLUB

Mrs. Patty Twellman entertained the Double Dozen Card club Thursday evening in her home, 105 Riviera drive, for a semi-monthly meeting.

Games were played and the prize went to Mrs. Rosemary Cantarano. The hostess served a dessert luncheon to Mesdames Mary Lou Awalt, Sandy Harper,

Ruth Smith, Sharon Hillmer, Carol Hendricks, Gerri Varady and the prize winner.

Mrs. Harper invited the club to meet in her home, 2369 Irlane, for the next meeting Apr. 9.

THURSDAY PINOCCHIO CLUB MEETS IN McILVOY HOME

The Thursday evening pinocchio club held a monthly meeting Thursday in the home of Mrs. Lorraine McIlvoy in Briardale.

Those holding the highest scores were Mesdames Edith Ryan, Juanita Rosenberg and Mary Lou Clausen.

A buffet luncheon was served by the hostess to those named and Mesdames Harriet Hoff, Bertha Witter, Elene Willis and Catherine Hommert. The next meeting on April 30 will be in the home of Mrs. Rosenberg on Cleveland Blvd.

The afternoon circle of the Nannoli Presbyterian Church met Thursday afternoon in the home of Mrs. Joan Kaseberg, rural route one, for a monthly meeting.

The hostess served a dessert,

followed by a business meeting, with Mrs. Louise Anderson, circle chairman, presiding. Mrs. Anderson gave the devotion, which were on the Lent's Supper.

Mrs. Alta Stewart, world service chairman, reported more discarded sheets are needed to continue a cancer dressing project.

Tentative plans were made for some of the women to attend the Spring Presbytery in Alton on Apr. 16. Missionary names and the Fellowship of the Lent's Circle were read, with prayers being offered in their behalf.

Mrs. Stewart gave the Bible study, Chapter three from the book, "He What You Are."

Others present were Mesdames Adele Gregory, Lena Kaseberg, Mary Stegle, Erma Tucker and Elizabeth Tiller. The next meeting on Apr. 23 will be with Mrs. Lena Kaseberg, 412 Kaseberg lane.

NEIGHBORHOOD EASTER REGIFT

Billy and Randy Watson, sons of Mr. and Mrs. Gilbert Watson, 3225 Terrace lane, were hosts to an Easter egg hunt for children in the neighborhood. Each guest

followed several decorated eggs Thursday for the hosts to hide in their yard.

A special prize egg of decorated plastic filled with treats was found by Andrew Lasso. Other children attending were Patty Rich, Jim and Gary Beeler, Dennis Orsey, Daniel Phelps, Steven and Carol Lasso, Peggy, Mary Charlie and John Barth and Debbie Hodge.

ORSEY'S ENTERTAIN WITH EASTER DINNER PARTY

The Orsey family and relatives entertained friends and relatives Sunday with an Easter dinner party in their home, 3400 Terrace lane.

Dinner was served at 3 o'clock at a table decorated with pink, green and yellow popcorn rabbits which were later given to the children as gifts.

Guests included Mr. and Mrs. Edward Mizalski and children, Steve, Ricky and Denise of Calvesville, Mr. and Mrs. Orsey of East St. Louis and Mr. and Mrs. Gail Phelps and children, Mary Lou, Steven, Andrew, Carol and Daniel of Mount Vernon.

SWEATER CARE LESSON FOR HOMEOWNERS UNIT

Mrs. Myrtle Hickman entertained the Isabel Bevier unit of the Madison County Homeowners' Extension Association Thursday afternoon in her home, 45 Terrace lane.

Mrs. Elaine Wendle, home advisor, gave the major lesson, entitled "Sweaters for the Family." She listed man-made and animal fabrics, mentioning that man-made products may be washed in machine while others must be dry cleaned.

She explained types of knits and their construction, discussed finished seams and said all front opening sweaters should have reinforcement for better wear. Another point noted was that storing of such items should be in drawers and not in plastic bags.

The minor lesson was on table making and printed information was given to each member to study, as the chairman was unable to attend.

A nominating committee was named by the chairman, Margaret Todoff, consisting of Mesdames Lillian Reubhausen, Myrtle Hickman and Doris Wilson. They will prepare a slate of officers for an election to be held at the May meeting.

The chairman announced that the annual Madison county district meeting will be held in Highland May 4.

A sewing class will start April 1 in the home of Mrs. Helen Cavar on Mayville road and will be conducted weekly for seven sessions. Instructors will be Mrs. Irene Dawes and Mrs. Marilyn Deatherage. Each one attending is to bring a sack lunch.

Those present were Mesdames Angie Brown, Ted Waller, Lillian Josph, Lillian Adams, June Hahn, Norma Jean Ross, Mildred Ward, Eleanor Barnhart, Hazel Anderson, Irene Dawes, those named and two guests.

The next meeting will be held Apr. 23 in the home of Mrs. Hazel Pellet, 3237 Fehling road. Refreshments were served by the hostess.

Schoolboy Named Attorney

The board accepted the resignation of Robert Matosian as village attorney and named William Schooley, Granite City lawyer, to the non-salaried position. Schooley was present for Thursday evening's session.

The newly created post of village electrical inspector was filled with the appointment of Lloyd Miller, who also is village building inspector, to do the job. It also is non-salaried.

The gas and electric franchise with Illinois Power Co. were first presented to the board early in January and have been under consideration since that time—through three readings.

Carl Mathias, manager of the local power company office, was present to go over the 50-year agreements with the trustees. Under the franchise, the village is getting five street lights at no cost, and the charges for the other five are to be paid with the credits due the village under the gas franchise.

Credit Instead Of Gas

The village is to receive \$150 under the gas franchise in which to use the allotted three thirds of gas per resident each year. The \$150 is to be applied to the cost of five street lights for which the village is charged.

In addition, the village also signed a street lighting maintenance contract with the power company which entitles it to a 10% reduction in street lighting costs. The power company is to install and maintain all 10 street lights.

The board agreed the lights are to be placed at intersections. "We'll cover them all," Stalcoff remarked.

The village now has \$644 in its treasury, and a payment approved was \$10 to the Louis Agency for the \$3000 bond for Edison Phelps, village clerk.

Stalcoff also announced that after the last order of business at each meeting, persons in the audience will be permitted to speak. "We want to keep the meetings open to the public and to public participation," he said.

About 30 were present Thursday evening. The next village board meeting will be at 7:30 p.m. April 23.

Acolyte Given Award At St. Bartholomew's

Larry Russell, 17, son of Mr. and Mrs. Nick Eaves, 519 Grand avenue, was presented with a special loyalty award for his service as an acolyte at St. Bartholomew's Sunday Mass by Rev. David Nyberg, rector of St. Bartholomew's Episcopal Church.

A server at Mass since 1957, he has never missed an assignment. He also has completed eight straight years without missing a Sunday school session. Eaves is a teacher at Granite City high school.

Police Raid Teen Ring, Arrest Six In House

Granite City police moved early Saturday to break up what was termed as a growing teenage gang.

Six youths were arrested at 1:30 a.m. in a vacant condemned house at 2207 Benton street by three officers who filed restraining arrest charges against two of the youths.

Police said they planned to round up four or five other youths known to be associated with the group. The movement started on a small level but has been growing, an officer said, and the condemned house has been under surveillance. Some of the girls leave their homes and stay in a room, the officers said.

Two of the boys arrested are 16 years old and were charged with curfew violations and disorderly conduct. They were referred to Coordinated Youth Services. Parents of one of them were told police to leave their son in jail until they came for him later.

The others arrested and their charges are Leslie Anderson, 20, of 2620 Denver street, disorderly conduct and resisting arrest; Sharon Odell, 18, of 1637 Maple street, disorderly conduct and resisting arrest; Nina Butcher, 18, of 900 Niedringhaus avenue, disorderly conduct.

The girls were placed on one year's probation today by Magistrate Gasparovic, and Anderson's case was continued until March 10.

Mar avenue, where he was staying. Fred Cooper of Edwardsville reported to Granite City police at 10:50 a.m. Friday that during the night four wire-wheel-type hubcaps were stolen off his 1964 auto while it was parked during the night in front of 2310 Del-

MORE ABOUT Pier, Teachers To Meet Tuesday On Dismissal Protest

(Continued from Page 1.)

Venice School Supt. John Pier will confer tomorrow afternoon with 10 of the 11 Lincoln teachers who have been sent dismissal notices effective next fall. The 10 are on tenure, having taught three to 21 years, and have filed a protest with the school district, seeking a hearing before the board.

Next board meeting is scheduled for Monday night, April 6, and Supt. Pier said yesterday he is conferring with Board President Lester Salem and School Attorney Harry E. Hartman on the course of action to be followed. He said Tuesday's action is intended primarily to gather information.

It is intended by those sending registered letters Thursday that the Illinois school code requires that non-tenure teachers be dismissed ahead of those with tenure. Tenure is acquired after two or three years of service in a school district.

The number of Venice teachers without tenure who have not been dismissed is estimated by Pier at three or four and by the protesting group at seven or eight.

Four Persons Injured As 21 Accidents Occur

Four persons were injured in three of a total of 21 traffic accidents reported in the Quad-City area since last Thursday. One of the victims was hurt when his car hit a building and another was hurt when his car hit a tree.

Traffic accident victims treated at St. Elizabeth Hospital during the weekend included Goldie Wells, 49, of 2600 Missouri avenue, treated and admitted to the hospital Saturday due to a large laceration on the forehead, and John Simpson, 36, of 2411 (rear) Benton street, who was treated at 2 a.m. Saturday for a forehead abrasion. They were hurt in separate accidents.

Carl E. Myers, 23, of 2412 Iowa street, was injured when his car hit a tree at 27th and Iowa streets at 4:50 p.m. Sunday. He told police a mail truck driven by Raymond Allen, Rural Route One, pulled in front of him to make a left turn off of Iowa and that he swerved to miss the truck.

His head apparently struck the glass and he was admitted to St. Elizabeth Hospital with multiple abrasions and superficial cuts on the forehead. The front of his car was damaged.

A car driven by George W. Thebeau, 22, of 2134 Edison avenue, struck a building at Namekoi and Pontoon roads at 5:50 a.m. Saturday when he lost control on the Namekoi road curve. The building is owned by Walter Chatman, 3 Terrace lane. A transformer was knocked loose.

Thebeau was taken to St. Elizabeth hospital where lacerations below the lip and on the bridge of his nose were sutured. He was charged with leaving the scene of an accident.

Excellent Court Facilities Here Worthy Of Study By Circuit Judges

Based on his past record, circuit and associate circuit judges of Madison and Bond counties have made an excellent choice in naming Harold R. Clark as the second chief judge. The rotation plan will enable all three circuit judges to be concerned with the assignment procedure which is the heart of the new Illinois court system.

The occasion seems appropriate once again to point out all of the court facilities available in the city of Granite City.

While most people want to withhold their opinion of new court procedures as long as possible in order to allow ample time for adjustments, it seems fair to note that there are increasing complaints about the concentration of activity at the county courthouse in Edwardsville. In some days, so many courtrooms are in session simultaneously that the building and corridors are excessively crowded. Lawyers report that, with so many jurors standing around, they have found it necessary to take their clients into restrooms in order to have a private word. In the case of male attorneys and female clients, even this "solution" is lacking.

Advance fears that there would be too little utilization of Granite City and Alton court facilities have been borne out, it is being contended. Six of the eight judges of the two counties reside in the Alton-Wood River and Quad-City areas. Perhaps more than 90 percent of the cases are handled with the situation may wish to discuss it with them.

Population studies by the American Statistical Association have shown that Madison county is the fastest growing county in the Illinois Metropolitan Area, having increased from 225,000 in the 1960 census to a current total of 241,000.

Further proof is made by the Southwest-ern Bell Telephone Co. show equally rapid growth in the future. The number of Madison county residents is expected to reach 263,500 by the next census in 1970, a gain of 9.3 percent. Average increase is estimated at 3750 persons or over 1 1/2 percent.

Any predictions involve a certain amount of guesswork, but telephone company estimates are of special interest in relation to planning of multi-million-dollar expenditures. Anyone acquainted with telephone costs is aware that the firm is not in the habit of wasting investors' funds.

Had many of the new Quad-City families, who make their homes in the Quad-Cities is unknown, but the prospect is a clear call to all municipal agencies, businesses and organizations to do all they can to prepare for it. Growth can be beneficial to both old and new Quad-City families, but only if there is adequate advance planning.

CANDIDATES FAVOR HIGH TEACHER PAY, PRESTIGE

To the Editor:

So that there will be no misunderstanding in our position regarding the teaching profession and the labor unions, we present the following:

We admire the teaching profession. We sincerely believe that they should be at the top of all the professions both in prestige and compensation.

These teachers take our children and actually shape their destinies. Many of our children's success or failure of our children in adult life depends on the quality of education given by the teacher.

We explained our position to the teachers' committee, apparently they doubted our sincerity. Laboring men and women must be paid a decent wage, not only for their sake but for the

economic life of the business community as a whole. Most laboring people spend their wages on necessities. This helps everyone they come in contact with.

One reason for running for the board of education is to offer our services to this community that has been so wonderful to us. We sincerely believe we can be of service to this board.

Sincerely,
DR. E. W. WALTON

Proposed New Dam, Locks Costly—And Unnecessary

Press-Record readers will recall that we have taken a dim view in recent weeks of the proposal to spend tens of millions of dollars in a futile effort to keep shoals eliminated and to direct the Mississippi River closer to the western bank to accommodate St. Louis ports.

We take an even dimmer view of the latest plan, a dam in the vicinity of Jefferson Barracks, which would be still costlier. There is talk of constructing locks even larger than the Chain of Rocks Canal locks, so it is obvious that the proposed dam of tax funds — including those collected from Quad-Cityans — represents a vast sum of money.

There can be no argument with the contention that the Army Corps of Engineers is obligated to maintain a nine-foot channel in the Mississippi for commercial and pleasure boats. The freeze and drought have complicated this assignment, but it can be carried out by normal procedures.

When the huge cost comes in is the effort to defy the laws of nature and say not only how deep the channel should be but where it should be located. In other words, it is not too difficult to make the river 300 feet deep and nine feet deep, as prescribed by Congress, but it is terribly hard to determine exactly where the 300-foot-wide channel should be. The river itself determines this and, at present, the river represents a tremendous and deeper hand to make the deepest cut along the Illinois side. What St. Louis officials want is an impossible deep and wide channel.

The plan to create a lock along the St. Louis riverfront similar to the Alton lock completely ignores the huge expenditure that would be required. It also ignores the fact that up-to-date, efficient and convenient deep water shipping facilities are available for the entire metropolitan area at the Port of Granite City.

Through close connections with Washington officials, St. Louis interests apparently plan to push the project down from the top, regardless of logic or cost. It appears that Quad-Cityans, and everyone else opposed to paying for the costly port duplication attempt, are going to have to look to their representatives in Congress and senators for an equally strong stand for common sense and economy.

Get-rich-quick schemes continue to be discredited but are always replaced by new ones.

California, Here We Come—But Not To Live

We admittedly are more than a little partial toward the Quad-Cities as a place to live. Weather and other developments elsewhere continue to reaffirm our conviction.

As we recall, three of the leading "growth" states—the areas which residents of other parts of the country are flocking in huge numbers—are Florida, Arizona and California. They have much to recommend them, but we cannot forget that the Florida peninsula is a "bit muggy" and the English would put it, and Florida has such occurrences as hurricanes and typhoons to keep life from becoming too dull in the coastal region.

Further, the "bit muggy" is a bit of milk and "honey" in the view of its most ardent supporters, its new label is the "land of ash and mud." As if reservoir collapses, flooding, wind, smog and forest fires were not bad enough, a sea of "ooze" has been sliding down from the hills, and some homes with four feet of soupy mud and pushing others off their foundations. The combination of mud and ash has been estimated to be more than \$20 million, not to mention a half-dozen lives.

Our definition of ideal weather is well illustrated by the week just ended when we had with balmy 70-degree days and soon saw frigid low-temperature. It perhaps cannot be called resort weather, but it certainly keeps an individual, and his wardrobe, active.

Location, Use Of Courts, Judges

(Additional questions on the new court system affecting the Quad-Cities, with answers from the chief judge, Judge James O. Monroe Jr.)

Q. WHERE ARE THE COURT ROOMS IN MADISON COUNTY?

A. Major courtrooms are numbered and located as follows: Number 1, 2, and 3 on the third floor of the courthouse; Number 4 and 5 on the second floor.

Q. WHERE DOES EACH JUDGE OR MAGISTRATE SIT?

A. No judge is a permanent occupant of any courtroom. Judges "rotate" in general court cases as chief judge, routine uncontested hearing judges (mainly estate and family matters), and contested trial judges (some in Edwardsville, some in Alton or Granite City).

Q. WHAT ARE THE QUALIFICATIONS OF JUDGES AND MAGISTRATES?

A. A judge or magistrate must be a citizen, a licensed Illinois lawyer, and a resident of this judicial area.

Q. HOW ARE JUDGES AND MAGISTRATES APPOINTED?

A. Initially, judges will be nominated by party convention and run for office at general elections. After a judge is in office, he will run on a non-judicial ballot for re-election without opposition. The people will vote whether or not to retain the judge in office.

Q. MAY JUDGES OR MAGISTRATES PRACTICE LAW?

A. Yes, except for the chief judge. Incumbent justice of the peace or police magistrates who are non-lawyers may be reappointed as judges or magistrates if there is no available lawyer to fill the position. If a judge or magistrate is a lawyer, he may practice law.

Q. HOW MANY JUDGES WILL THERE BE IN THE NEW SYSTEM?

A. Initially, judges will be nominated by party convention and run for office at general elections. After a judge is in office, he will run on a non-judicial ballot for re-election without opposition. The people will vote whether or not to retain the judge in office.

WHAT EVERYONE SHOULD KNOW ABOUT COLD DRUGS

How winter colds gotten you into the habit of using nose drops?

You may be soothing membranes this way—and inviting lipid (fatty) pneumonia, too. This disease can result when mineral oil and other oily substances—a common component in many nose drop preparations—are "aspirated" into the lungs.

Common victims are infants who haven't yet learned to breathe and adults whose reflex has been blunted by age or illness.

Place the patient on his side—with no pillow—allowing the solution to stay in contact with his back with his head tilted back and turned slightly to the side being treated.

Accumulation Of Oils

Here the oils—which will be absorbed by the lung tissue—will collect and remain for an indefinite period. It is when they accumulate to a sizable degree that they interfere with air sacs and encourage pneumonia.

Signs of fatty pneumonia include fever, cough, labored breathing and chest pain. Oil droplets may be found in the sputum. An X-ray may show the shadows of oil deposits in the base of one lung or both.

The best preventive measure is to use only drops prescribed by your physician and to administer them in the proper way.

Two methods are found best. Place the patient on his back with his head tilted back and turned slightly to the side being treated.

Silver Dollar Tips To Boost Milk Sales

Much-needed silver dollars are being given away by the Madison County Bureau in a program to promote the sale of milk at restaurants in April.

Robert Brave, local Farm Bureau representative, is giving silver dollars to Quad-Cities businessmen, who in turn are being asked to give them as tips to waitresses who ask them if they want to drink milk with their meals.

Granite City PRESS-RECORD

The same procedure is being followed throughout the county and the state.

In the promotion 30 businessmen, including six in the Quad-Cities, have been given the silver dollars, Brave said.

The "silver dollar" campaign is being conducted statewide in the Farm Bureau dairy promotion program.

Free Chest X-Rays Will Start Friday In Area

Free public chest x-rays by the Madison County Tuberculosis Association will begin Friday at the Bellevue Village Shopping Center.

The first sessions will be held from 10 a.m. to 4 p.m. and from 5 to 9 p.m. Friday. X-rays will also be taken from 9 a.m. to noon and from 1 to 5 p.m. Saturday at the shopping center.

The Bellevue stop is only the first of many for the x-ray mobile unit between Friday and May 19 in the Quad-Cities. X-rays will also be taken between tomorrow and May 22 in other Madison county communities.

Other Quad-City stops for the general public will be:

At the Dairy Market on Madison avenue in Madison — 9:30 a.m.-1 p.m., 2-6 p.m., April 18.

Other stops, which will serve primarily employees of the places visited, include:

At Dow Metal Products Co.

Laclede Plans New Melting Shop, Use Electric Furnaces

Laclede Steel Co. is planning an addition of a new melting shop using electric furnaces. Stockholders were informed last week.

A company spokesman said the decision has yet to be made on where to locate the shop—either at the Madison or Alton plants—but that a decision will be made within the next three months.

The firm's steel-making capacity will be increased by about 100,000 tons, and the new shop will provide an increase of an additional 200,000 tons, the firm said.

The shop has not been completely engineered, and some details are to be completed, the spokesman said.

Parcel Post Rate Boost of 13.1% Starts Wednesday

Quad-City postmasters issued a reminder today that domestic parcel post rates will be increased 13.1 percent on Wednesday.

Approved recently by the Interstate Commerce Commission, the increase is expected to yield about \$75.4 million annually for the post office department.

Rates for catalogs will be increasing approximately 13% and will produce added revenue of about \$2.4 million if 1962 volume is maintained. Air or international parcel post rates will not be changed.

The postmasters said the decision of the ICC will assist the Post Office Department in carrying out its objective of reducing the drain on the Federal treasury by \$100 million.

This is the first parcel post increase since February 1960. "Under the new rates, a six-pound package will cost 37 cents instead of 32 cents for local area delivery."

Civic Clubs Hold Joint Devotional Luncheon

Four local civic clubs participated in a devotional luncheon held Thursday at the First United Presbyterian Church with ministers from six different churches taking part.

Rev. Dr. David Maxion, pastor of the church, gave a short devotion to the Granite City Optimist, Rotary and Kiwanis clubs and the Madison Lions, 90 persons in all assembled in the sanctuary.

Rev. R. Paul Sims, pastor of Netherland Methodist Church, Rev. James Craddock, pastor of Central Christian Church, Rev. Robert J. Bauman, pastor of St. Peter Evangelical and Reformed Church, and Rev. Harry Colquhoun, pastor of Madison Presbyterian Church, all took part in the service.

At the luncheon, which was prepared and served by women from the church, club presidents, David John, Granite City Optimists, Jerry Maers, Madison Lions, Harry Marshall, Granite City Kiwanis, and James Louis, Granite City Rotary, introduced members of their clubs.

IBA Agricultural Credit Conference April 7-8

The Illinois Bankers Association will hold its 18th annual Illinois bankers agricultural credit conference on April 7 and 8 at the University of Illinois in Urbana. It was announced today by Harold R. Fischer, president of the IBA and also president of the First Granite City National Bank.

The conference is presented in cooperation with the U. of I. College of Agriculture and will be devoted to the latest developments in the field of agriculture.

C. O. C. Committee To Discuss School Vote

A discussion of the proposed increase in the Granite City school district educational tax rate will be taken up at a meeting of the Citizens Committee of the Tri-Cities Chamber of Commerce, at 3:30 p.m., tomorrow in clubroom 20 at the YMCA. It was announced by Homer A. Huber, chairman of the committee.

Huber said the school bond issue proposal also will be aired.

New Color Film Series To Be Shown At YMCA

A series of color travel films entitled "Around the World" and "Touring America" will be shown from 8 to 9:15 p.m. Friday for 10 weeks starting May 1 at the YMCA.

A film from each of the series will be shown each night. The series, sponsored by the teenage department, is open to adults as well as to teenagers.

There will be no charge to teenage members. A fee of \$2.50 (for the 10-week series) will be charged teenage non-members. The adult fee is \$3.50, and individual films may be seen for a donation of 50 cents.

Registration is now being accepted from both adults and teenagers at the YMCA.

Federal Agencies Need College Cadet People

Federal agencies in Illinois, Indiana, Kentucky, Michigan, Ohio and Wisconsin are looking for men and women of college caliber to fill several hundred entry level positions during the next four months. It was announced by J. A. Connor, director, Chicago region, U. S. Civil Service Commission.

Connor said these positions will be filled by people who successfully compete in the federal service entrance examination to be given the last time this year on May 16. Applications must be filed by April 14.

NOTICE OF PETITION TO PROTECTOR WILL
County of Madison, Ill.

IN THE CIRCUIT COURT OF THE THIRD JUDICIAL DISTRICT OF MADISON, ILLINOIS

In the Matter of the Petition of BEULAH A. HARRISON, Deceased, for the appointment of a guardian of her person and estate.

Filed for record in the County of Madison, Illinois, and in the Court of the Third Judicial District of Madison, Illinois, on the 23rd day of March, 1964, an instrument in writing purporting to be the last will and testament of Beulah A. Harrison, deceased, was filed in the Circuit Court of Madison County, Illinois, and on the same date was filed a petition, asking that the said instrument in writing be admitted to probate and for the last will and testament of Beulah A. Harrison, deceased.

Said petition states that the following named persons are all the known heirs, legatees and devisees of the said Beulah A. Harrison, deceased: Anna Rose Young, Mother William Wilks, Clint Hill, and that the other heirs at law, if any, of said deceased are unknown to said petitioner.

You are further notified that the hearing of the proof of said last will and testament has been set by said court for the 23rd day of April, at the hour of 9 o'clock A.M. or as soon thereafter as counsel may be heard in the Circuit Court of Madison County, Illinois, at the Court House, in the County of Madison, Illinois, and where you may appear and be heard, and if you have any objection to the admission of said last will and testament to probate as the last will and testament of said Beulah A. Harrison, deceased.
